

ORDER

22-01-2026:- The instant Suit has been taken up today. Perusal of the file reveals that nobody appears on behalf of plaintiff from last two consecutive dates of hearing and is absent today also. The absence of the plaintiff is a circumstance permitting this Court to think that he does not afford to retain the file on board for an indefinite period and await the appearance of the plaintiff. So the file in hand deserves to be dismissed for non-appearance of the plaintiff and is accordingly dismissed along with connected application if any. The file in hand is being so disposed of & will be forwarded to records after its due completion.
