Mat. Suit No. 92 of 2025

Evidence of the parties establish, therefore, that the parties have been living separately for a period of more than one year. They have not been able to live together and they have mutually agreed that the marriage has been dissolved. Both the parties stated in evidence that the instant application is neither collusive nor the consents of the parties were obtained by exercising any coercion, fraud, undue influence or otherwise and they signify their consent voluntarily and under free will.

Under the circumstances, I am satisfied that the parties are able to make out the case for dissolution of marriage by decree of divorce on mutual consent.

Hence, it is,

ORDERED
