

Witness present and duly sworn on 28/07/2026.

Cross Examination by advocate for Respondent No.1.

I know the contents of chief examination of affidavit. I am giving evidence in respect of property bearing survey no. 24/6 of Doddanekkundi Village measuring 12 guntas. It is true that in respect of this land three civil rules are pending. We had produced the documents before the SLAO for granting compensation to us. We have produced the acknowledgment received from the SLAO in this case. After verifying the court records, witness states that the acknowledgment is not found. It is true that the since the civil suits are pending and title documents were not furnished before the SLAO, case was referred to the court for apportionment. I have knowledge that the amount of Rs.3,39,81,282/- has been deposited int his court. It is true that after compensation amount was deposited in the court, the respondent no.1 has taken possession of the lands. It is true that after compensation amount was deposited, Intimation was given to us by respondent no.1.

Cross Examination by advocate for Respondent No.2.

2. I know the contents of chief examination of affidavit. I am giving evidence even on behalf of the claimant no.3. The claimant no.3 is my mother in law but she has not executed any GPA in my favour. We had received notice of the land being acquired. The land being acquired was first noticed by us after reading the news paper, thereafter we had filed objection, we received the notice. We have not challenged the acquisition proceedings. We do not dispute the amount of compensation awarded by the respondent. It is false to suggest that we have not produced our title deeds before the SLAO. It is true that all the suits as per Ex.P.1 to 3 are still pending before the courts. It is false to suggest that we are not entitled to receive the compensation till title decided by the court.

Re-examination: Nil.

(Typed to my dictation in open court, as the deposition is proceeded with).
