

Mat. Suit No. 360/2025
C.N.R No. WBJP01-002329-2025

Order No. 07, dt. 12.06.2026,

Today is fixed for hearing.

Both the parties are present and file their respective examination-in-chief.

Both the petitioners are examined as P.W.1 & P.W.2. Some documents are marked as Exbts.1 & A respectively being the photocopies of Adhaar cards of the petitioner-wife and petitioner-husband. Both of them are discharged and their evidence is closed.

Now, the case record is taken up for passing order in respect of the petition u/s 13B of the Hindu Marriage Act.

Perused the petition u/s.13B of the Hindu Marriage Act, the deposition of PW-1/wife, PW-2/husband and Exbts. 1 & A (respective Adhaar cards of both petitioners).

It appears that marriage between the parties was solemnized on 27.01.2023 according to Hindu rites and custom and after marriage, both of them started to live together as husband and wife within the jurisdiction of this Court at the house of the petitioner and their marriage was duly consummated. It is stated in their petitions that the parties do not have any child. It is stated in their petitions that the parties led conjugal life up to 02.02.2024 as disputes and differences cropped up between them and since that date, they had been staying separately. Their mutual friends and acquaintances put effort for a reconciliation between them but resumption of marital life couldn't be possible. Then both the petitioners have mutually decided that the marriage between the parties be dissolved by a decree of divorce and filed the instant petition u/s. 13B of Hindu Marriage Act. It appears that there is no chance of further reconciliation. Even this Court today itself tried to reconcile the dispute between the parties but all in vain. It will be useless to compel them to carry on with a paper relationship. Under such circumstances, I find no impediment to allow the instant application when the parties to this

(2)

case are unable to live together as husband and wife and they have mutually agreed to end their nuptial ties and their such decision is voluntary. It appears that there was no collusion behind filing of the suit and no fraud was practiced upon them.

C.F. paid is sufficient.

Hence, it is

Ordered

A copy of this order and decree be supplied free of costs to both the parties under the provision of Section 23(4) of the Hindu Marriage Act, 1955.
