

M.EX. 177/2022

Order dated 06.10.2023

Today is fixed for show cause by petitioner positively. Petitioner took no step.

Petitioner did not file show cause as per order dated 26.07.2023. Petitioner is found to be very irregular in taking step and none moved on behalf of the petitioner since long. Petitioner is absent without step since 29.04.2023.

In my opinion the petitioner is very negligent and is not willing to proceed with the case. Petitioner has already caused delay in the case. Therefore, I am not inclined to give further time to the petitioner.

Hence, it is,

ordered

that the instant case is dismissed for default.
