This petition came up for hearing on _____ and the court on the same day passed the following:-

ORDER

This is a petition filed by the petitioner u/s.14(1) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (in short SARFAESI Act) for taking possession of the secured asset which is the scheduled immovable property.

2. The petitioner is the Quilon Co-operative Urban Bank Ltd., which is the secured creditor and the 1st respondent is the borrower and the 2nd and 3rd respondents are the co-borrowers/sureties. The respondents availed a loan of Rs.3,60,000/- from the petitioner on 16/6/2017 and the respondents created security interests in favour of the petitioner bank. Repayment was defaulted and the account was classified as Non Performing Asset on 16/1/2018. The petitioner issued notice u/s.13(2) of the SARFAESI Act to the respondents on 22/12/2020 calling upon them to repay the entire amount with interest and discharge the

liabilities to the tune of Rs.5,10,000/- within 60 days from the date of the receipt of notice. As on 13/9/2022 the total outstanding liability was Rs.5,91,026/-. But even after receiving the statutory notice u/s.13(2) of the said Act, they did not repay the loan amount within the statutory period. So the petitioner has sought for taking possession of the secured asset for realisation of the amount due to the petitioner's Bank.

3. Heard. The General Manager is the Authorised Officer under the SARFAESI Act. The Authorised Officer of the petitioner Bank filed affidavit in compliance of section 14 of the SARFAESI Act. The affidavit and documents produced would show that the respondents created security interest in respect of the secured asset in favour of the petitioner at the time of availing loan from the petitioner's Bank and failed to repay the amount even after receipt of statutory notice u/s.13(2) of the Act. Hence I find that the petitioner is entitled to get possession of the secured asset which is the scheduled property, through the proceedings of the Court. Hence a direction can be given to hand over the petition scheduled property, as prayed for.

In the result, the petition is allowed as follows:--

- (1) Respondents are directed to hand over the possession of the secured asset described in the petition schedule to the petitioner.
- (2) Advocate Anila.S. is appointed as the Advocate Commissioner to take possession of the scheduled property after giving due notice and hand over the same to the petitioner on proper acknowledgment. The petitioner shall pay a batta of Rs.10,000/- to the Commissioner and file memo.
- (3) The petitioner shall provide a copy of the petition including the schedule of secured asset to the Advocate Commissioner for executing the order.
- (4) The Station House Officer of the Police Station in which the petition schedule property situates and the village officer concerned shall give necessary assistance to the Commissioner, if so required.

- (5) The Advocate Commissioner is permitted to break open the premises/building if the circumstances so warrant.
- (6) The Advocate Commissioner is directed to prepare an inventory in triplicate, if required, to be attested by two respectable witnesses, as regards the execution of this order and in taking possession of the scheduled property and copies thereof shall be given to the petitioner as well as the respondents on proper acknowledgment. One copy shall be filed along with the commissioner's report before the Court.
- (7) The Advocate Commissioner shall file report before this Court after taking and handing over possession to the petitioner Bank.

Dictated to the Confidential Assistant, transcribed and typed by her, corrected by me and pronounced in the open court on this the 13th day of October, 2022.
