

61 Cr. Case 5615/2026

STATE Vs. UNTRACE

FIR No.80107817/2024

PS : (Maurice Nagar)

10.07.2026.

Present : Sh. Deepak, Ld. APP for the state.

Complainant in person.

Complainant submits that he is not satisfied with the investigation. He further submitted that he received various SMS from the Telecom Department regarding the traceability data. It is further submitted that upon filing RTI in the concerned department, it has been replied that the traceability data contains the details of new SIM inserted with the lost/snatched stolen mobile. Record of the SMS received has also been filed in the Court.

IO has also filed the traceability data along with the untrace report, however, as per their report, there appears to be some error in the IMEI number. Further, the dates on which SMS has been received by complainant, are not reflected in the traceability data filed with the untrace report.

In these circumstances, let a notice be issued to SHO PS Maurice Nagar for further investigation in the present matter and also to look personally into the traceability data and file a report before the Court with respect to the SOP, if any, as to how the IOs are collecting this data and how the same is sent along with the untrace reports.

List for compliance report on **25.09.2026**.

Copy of order sheet is also sent along with the notice to SHO PS Maurice Nagar.
