मोहल नो फाईल नो Probate 139/2022 नो ऑन 29-11-2022

02-12-2023 नो नो No प्रारवि has been filed on behalf of applicant. Case Called out. Neither applicant nor his counsel appear before the court on repeated calls. From perusal of the case record, it appears that the probate case is filed by the applicant on 29-11-2022 and the case was fixed for removal of defects since 01-12-2022. Since, then the applicant has not removed the defect till today. More than 1 years time has been elapsed so far but in spite of specific direction of the court, the applicant still failed to removed the defect. The applicant is very negligent and lethargic attitude of the applicant shows that he has completely lost interest with his own case.

Hence, It is not justified to carry on this case in the absence of applicant and non-compliance of Court's order. Hence, this case is dismissed in default.
