The case record is taken up for passing order.

I have gone through the contents of the application and the evidence of the parties together with the documents filed this day as per lists.

The fact leading to the filing of this application u/s 13B of the Hindu Marriage Act is that marriage between the parties was solemnized according to Hindu Rites & Customs on **07.07.2013**. After the marriage they lived together as husband and wife. The said marriage was duly consummated. Out of their wedlock one female child was born to them. Unfortunately, mental non adjustment cropped up between the parties and it prompted the parties to live separately since **25.10.2023**. Efforts were made to cool down their mental crisis but it was in vain. Hence, this case.

It appears that the instant petition has been filed in proper forum and in proper time.

Both the petitioners have corroborated the contents of the application u/s 13B of the Hindu Marriage Act. I do not find anything contrary for which their evidence can be disbelieved. I do not also find anything contrary for which their applications can be said as collusive.

From the evidence on record what is apparent is that both the petitioners have been living separately since more than one year and their relationship has broken down irretrievably and there is no chance of reunion. In the circumstances, the prayer of the petitioners for a decree of divorce on mutual consent deserves to be allowed.

Hence, it is

ORDERED

That the suit be and the same is decreed on consent but without any order as to costs.

The marriage solemnized between the parties to the suit namely, **Surajit Das and Mily Das** on 07.07.2013 stands dissolved with immediate effect by a decree of divorce on mutual consent under section 13B of Hindu Marriage Act.

Let a copy of this order be supplied to both the parties of this suit free of cost.
