

S SI No. 491 /2012

Order no.45 dtd. 23.07.2024

Today is fixed for evidence.

One summon is received after service on behalf of the VG who is untraceable for that reason this case has been emerged .

Heard the submission of Ld PP in charge and Ld defence counsel.

Most of the witnesses including the IOs have already adduced evidence and only two public witnesses are left as per submission of Ld PP in charge.

Ld defence counsel prayed for closure of evidence.

Having considered the submission from both sides and considering the age of this record I am inclined to hold that the rest of the two public witnesses be summoned to adduce evidence by 23.08.2024 as this case is one of the targeted case i.d. necessary order will be passed.

To **23.08.2024** for evidence as last chance. Issue summons accordingly.
