- 10.02.2025**
- 1.** Out of the four accused persons attendance has been filed of accused Akhilesh Tiwari and a petition of representation has been filed on behalf of three accused persons.
 - 2.** Case called out repeatedly from 1400 hours till 1630 hours but none appears on repeated call to press the discharge petition dated 20.05.2023. preferred u/s 228 of Cr.P.C. Ld. A.P.P. submits that just to linger the case, the petitioners have filed this application without any intention to press. The petition may be rejected as not pressed.
 - 3.** Heard Ld. Counsel and perusal of record shows substance in submission of Ld. A.P.P. after filing the attendance the accused does not appear this shows that the attendance is fake. I also find that the representaiton application is not pressed. Thus the attendance and representation application both are rejected. All the accused persons are directed to remain physically present on 18.02.2025 and if they fail their bail bond shall be cancelled. Next date is also be a last chance for the defence to come for hearing of their petition dated 20.05.2023 and if they don't turn up the petition shall be dismissed as not pressed.
