

Partition Suit No. 41 of 2025

Order No. 08 dated 03/01/2026.

Today is fixed for PH.

Plaintiff filed two petitions, one praying for taken off the suit from P. Board and another for amendment of plaint. Copy served.

Defendant no. 1 to 7 filed hazirah through Advocate.

The suit is taken off from P. Board from the plaintiff's amendment petition.

Heard both sides.

It appears that the proposed amendment is formal in nature and if the same is allowed it will not change the substantial nature and character of the present suit.

Learned Advocate for defendant no. 1 to 7 also fairly submitted that the petition may be allowed for the sake of expedite disposal of the suit.

Hence, considering the above facts and circumstances I do not find anything for not allowing the present application for amendment.

Accordingly the amendment petition today filed by the plaintiff praying for amendment of plaint is considered and allowed.

Plaint be amended accordingly.

Plaintiff is directed to file an amended plaint on next date positively.

The case is again posted for P. H.

Fixed **19.02.2026** for P.H and filed amended plaint by the plaintiff.
