

06/12/16 The record is placed before me as the Ld Adv for the petitioner filed a petition for shifting back the case record for early hearing. Copy served to the other side and the other side raised objection on the petition.

Hd the 1d Adv for the plaintiff. Perused the instant petition.

From the submission of the Ld adv for the petitioner, I am of the view that the case record should be shift back for early hearing.

Accordingly \_\_\_\_/02/2017 is fixed for injunction hearing instead of fixed date.

Inform accordingly.
