

14/18.12.2020

Today is fixed for appearance of the IO and production of the accused.

The IO is present along with the counsel for prosecution.

IO prayed for necessary order permitting further investigation and submission of supplementary charge sheet against the other accused Rafik Sk who has wrongly been prayed for discharge through the CS submitted.

Heard the Ld. Counsel for the prosecution.

The law does not demand any formal approval from the court to submit supplementary charge sheet if the IO find that there are materials to submit the same.

This being the position IO is at liberty to submit supplementary charge sheet against any person since the court is yet to take cognizance as the case record suggests.

As per as prayer for bail is concerned I find there is no change of circumstances to warrant different presumption than it was arrived on last occasion i.e. on 20.10.2020 and as such prayer for bail stands rejected.

To date i.e. on 12.01.2021 for production, supplementary charge and further order.
