

TS-59/2021

WBMD 11000-132-2021

Order no. 31

Dated 09/04/2026

Today is fixed for issue framing.

Both sides file hazira.

Ld. Advocate representing the defendant submits that on the previous dates he has submitted a letter indicating that the instant record is pending in the Ld. Appellate Court, and today prays for deferring the framing of issues on the said ground.

Perused the letter and heard the submission of the Ld. Advocate. It appears that there is no stay order pending in connection with this instant case and framing of issues would not prejudice any of the parties. Hence, the issues are framed on a separate sheet and kept with the record.

To **09/06/2026** for evidence.

Framing of issues:

1. Is the suit maintainable in its present form and structure?
2. Is the plaintiff having any cause of action?
3. Is the plaintiff side entitled to the reliefs as claimed for?
4. What are the reliefs the plaintiff side is entitled to?
