

Based on the police report submitted in connection with the offense registered at Amraiwadi Police Station under Second/Crime Register No. 3212/2003, this case has been filed against the accused under Section 8(2)(b)(c) of the Gujarat Prevention of Anti–Social Activities Act, which is punishable by one year of imprisonment and is a summary triable offense. Despite repeated issuance of non–bailable warrants against the accused, the process–serving agency has been unable to execute them, and the prosecution has also failed to produce the accused before the court. Thus, despite sufficient efforts to secure the accused's presence and the passage of more than twenty years, the accused has not been brought before the court to date, and it does not appear likely that their presence will be secured in the near future either. Under such circumstances, this case remains pending before the court in a dormant state, and keeping it pending further serves no purpose other than increasing the burden on the court. In these circumstances, the present case is hereby dismissed under Section 258 of the Criminal Procedure Code.

This order is pronounced in open court today, on the 28th of March, 2025, under my signature.
