

P.O.C.S.O. No. 60 of 2022 (R- 60 of 2022)
C.N.R. No.WBND010040562022
Present : Kazi Abul Hasem, (Judge, POCSO Court)
J.O. Code W.B. 00787

Order dt. 28-03-2024.

Today the case record is put up at the instance of the sole accused **Subal Biswas** who filed a bail application praying for release on bail on the grounds as stated therein.

The bail application is shown served upon the Ld. Spl. P.P. Sri Raja Dube.

Thus, bail application of the accused above named is taken up for consideration in presence of both sides.

The Ld. Advocate prays for bail on the ground that charge-sheet has been submitted and the accused has long been in custody.

Ld. Spl. P.P. raised strong objection.

After having heard both sides I carefully perused the case record and I find that this Court has already rejected his bail application even after considering that the charge-sheet has been submitted.

Moreover, I see that trial of the offence has already begun.

Under this circumstances, I am not inclined to allow the accused person to be released on bail. Accordingly, his prayer for bail is **rejected**.

Todate **(10-04-2024)** for evidence as per schedule.
