Now the case record is taken up for passing order in respect of the application filed by the petitioners under Section 13B of the Hindu Marriage Act 1955 on 12.09.2025.

This is an application under Section 13B of the Hindu Marriage Act 1955 filed by the petitioners praying for passing decree of divorce on mutual consent. The case of petitioners is that they married on **10.03.2014** as per Hindu rites and custom at the paternal house of the petitioner No. 1. After marriage the petitioner No. 1 went to her matrimonial home and started to reside as husband and wife at Vivekananda Nagar, Karbala, Lane No. 8, P.S. - Madhyamgram, North 24 Parganas, and their marriage was duly consummated. Two female child, namely, Adrika Bhattacharjee and Ishika Bhattacharjee were born within their wed-lock on 05.06.2015 and 04.05.2018 respectively, who are under the care of the petitioner No. 1. But, unfortunately parties could not adjust with each other due to their differences and when the efforts of reconciliation between the parties to continue their marital status have failed and then their marriage tie has broken down and to that effect they have been residing separately since **20.05.2024** and there is no cohabitation between the parties since then.

Hence, this suit.

Perused the petition as well as evidence of the parties and documents filed by them before the Court.

From the averment made in the application and as well as the testimony of the petitioners on dock and the document submitted by them it is found that marriage amongst the petitioner was solemnized on 10.03.2014 as per Hindu rites and custom.
