

C.Case-243/2019

Order dated 19.02.2026.

Today is fixed for order in respect of petition dated 26.09.2025 filed by the complainant for substitution.

The petition is heard on length in presence of all concerned.

It is the contention of the applicant that the complainant is her mother and she is suffering from various types of illness and needs to be frequently admitted before the hospital as such the complainant is not in a position to attend and to conduct this matter. Further, it is her contention that she has been duly authorized to conduct this case through power of attorney by the complainant. Thus, the petitioner prays for substituting herself being Soumika Chakraborty in place of her mother namely Mrs. Mistu Chakraborty as complainant in this case. Necessary medical documents are also filed by the petitioner. While on the other hand, Ld. Advocate for the accused person did not object on the health issue and medical documents. However, objection was raised to the technicalities of the substitution application.

It appears from the record and the documents filed that indeed the complainant is having health issues and it is also evident that there is no qualm about the present applicant being the legal heir of the said complainant.

Considering the above and the entire factual aspect of the matter in hand, allowing the application of the applicant will not prejudice the accused person at all and will subserve the ends of justice.

To 17.04.2026 for taking proper steps by substituted complainant.
