

Order Dated 02.09.16.

The sole accused person named in the charge sheet is produced from J.C.

No one is representing the accused person. The accd person also submitted that he has no lawyer appointed to act on his behalf. This being the situation in order to hoist the right of the accused person Alope Bapari, Ld Lawyer practicing in this Court be appointed to act on behalf of the accused person as per Sec.304 of the Cr.P.C. Let a copy of this order be sent to Secretary, SDLSC Bidhannagar. Ld lawyer be also informed.

On call Ld. A.P.P. and the Ld lawyer representing the accused person are found to be present.

As stipulated by the previous order today is fixed for consideration of charge. Hence the case is taken for consideration of charge. Heard Ld. Advocates for both sides. Perused the F.I.R, charge-sheet and other materials available in the case record.

It is axiomatic from the case record that the charge-sheet has been submitted against the accused person for allegedly committing offences punishable under section 25(1)(a)/27 of the Arms Act. Upon perusal of the F.I.R and other materials available on the record, there are sufficient reasons for believing prima facie that the accused person has committed the offences punishable under Section 25(1)(a)/27 of the Arms Act. Hence I have no dichotomy that from the materials available on record there exist sufficient materials to frame charge against the accused person under Section 25(1)(a)/27 of the Arms Act.

Accordingly, the charges under section 25(1)(a)/27 of the Arms Act are framed against the accused person.

The substances and particulars of the charge so framed is read over and explained to the accused person to which the accused person pleaded not guilty of committing those offences and claimed to be tried.

Formal charge is accordingly prepared and kept in the record.

Fix 14.09.2016 for evidence of C.S.W-01 & 02 .

D.A. to take note. Issue summons accordingly. Accused as before.
