

Order dt. 19.08.2025

Today is fixed for hearing. Both sides have taken steps.

Now the record is taken up for hearing of the petition of the OP to amend the written objection.

The submission of the OP is that the proposed amendment is to insert the article and money details which the OP has provided to the petitioner. This matter is required to be inserted in the written objection to determine the present economic condition of the petitioner.

The Id. Advocate for the petitioner raised objection stating that only rejoinder or supplementary affidavit can be filed by the OP for objection against the interim relief petition. The matter of interim relief petition is pending for long years and petitioner is not getting any money from the OP husband. The Id. Advocate for the petitioner prays for fixing the date for ex-parte hearing.

After hearing submissions of both sides and perusal of the record, it has been found that to consider maintenance of petitioner-wife, the economic condition of both sides can be taken into consideration. The fact that the OP has transferred money to the petitioner is required to be established in prima facie to consider the petition. As such, the OP is directed to submit copy of relevant document in connection with his petition for amendment.

Fix **14.10.2025** for submission of document by the OP and further hearing.
