Smt. Mousumi Biswas and Sri Himangshu Pramanick

13B of the Hindu Marriage Act, 1955

Order No. 02
dt. 05.06.2026 :

Petitioners file their respective hazira.

On last occasion, an attempt of reconciliation was made between the petitioners but they did not agree to lead conjugal life together.

It appears that there is no love and affection between the petitioners toward each other. They do not intend to lead conjugal life any further. Accordingly, the instant suit was taken up for hearing.

Examined the petitioner No. 1 Smt. Mousumi Biswas in full as PW-1. Also examined the petitioner No. 2, Sri Himangshu Pramanick as PW-2 in full.

Heard the Ld. Lawyers.

Perused the application under section 13B of the Hindu Marriage Act, evidence of PW-1 and PW-2. Considered.

The petitioners' case, in brief, is that their marriage was registered on 19.11.2015 and the same was solemnized on 06.01.2019 according to Hindu Rites and Customs. Social Marriage was held at the house of the petitioner no. - 1, which is within the jurisdiction of this court. The petitioners have no issue out of their wedlock. After the marriage, both the petitioners could not adjust with each other due to difference in taste, temperament, culture and the relationship between them has become futile. The relation came

to such a stage that, it was not possible for them to live together as husband and wife. All attempts of reconciliation between the petitioners by their relatives, friends and well-wishers failed. Since 21.10.2019, the petitioners started residing separately. The petitioners have agreed together to get their marriage dissolved by a decree of divorce on mutual consent. There is no force, coercion or undue influence in obtaining the consent of the petitioners. There is no collusion between the petitioners in obtaining the decree. Hence, this suit.

From the evidence of PW-1 and PW-2, it is proved that the marriage between the petitioners was solemnized on 06.01.2019. It is further proved from evidence of PW-1 and PW- 2 that after the marriage they resided as husband and wife, and accordingly, marriage between the petitioners was consummated. After few months of marriage, the petitioners could not adjust with each other due to difference in their tastes, habits, temperament and choice for which relationship between the petitioners came to such a stage that it was not possible for them to live as husband and wife. It is further proved that the petitioners are residing separately since 21.10.2019. The case was filed on 02.12.2025. More than six months and less than eighteen months have elapsed from the date of filing of this suit. No collusion appears to have taken place between the petitioners for obtaining decree as prayed for. There is no undue delay in filing the instant petition. It appears that the parties have agreed to get their marriage dissolved by a decree of divorce on mutual consent and their consent does not appear to be influenced by undue influence, force, coercion, threat or promise. There is no other impediment as
