This petition is filed under Section 10 A of the Indian Divorce Act and Sec. 7(1) (a) of Family Court Act.

This petition having been finally heard on 22.10.2024 and stood over consideration on 30.10.2024 and on the same day the court delivered the following:-

JUDGMENT

Petition filed under Sec.10 (A) of Divorce Act, r/w. Sec. 7 of Family Courts Act seeking dissolution of marriage.

2. According to the petitioners, they got married as per custom of the

community on 19/1/2023. Thereafter they lived together as husband and wife till 11/5/2023. Owing to strong differences of opinion, their marital relationship has irretrievably broken down and there is no chance of a reunion. There is no collusion between the parties in seeking divorce. Accordingly, they have mutually agreed to seek for a decree of divorce. Thus the petition.

3. The petitioners have undergone counselling, where also the efforts to settle the dispute have failed. There upon the statutory period of six(6) months to consider the joint petition is relaxed as per the order in IA No.1/2024 on the finding that there was no chance for reunion and further waiting period would only prolong the agony of the parties. Petitioners filed proof affidavit and the second petitioner was examined as PW1. The marriage certificate was marked as Ext. A1.

4. The point for consideration is,

Whether the marriage of the petitioners is liable to be dissolved ?

5. The Point:- Petitioners seek for divorce by mutual consent. Their marriage was on 19/1/2023 and they lived together as husband and wife till 11/5/2023. Thereafter they are living separately. Their marital relationship has irretrievably broken down and it has become practically and emotionally difficult for them to live together. The efforts to bring them to a settlement and live together by counselling has failed. The petitioners in their proof affidavit filed in support of the petition affirmed that there is no collusion or external interference

of any sort in filing the petition for divorce. It is also affirmed that there is no other monetary liability between the parties. In the circumstance I feel it proper to allow divorce as prayed for.

In the result, the petition is allowed and a decree is granted dissolving the marriage between the petitioners solemnized on 19/1/2023 from the date of this judgment.

Pronounced by me in open court on 30th day of October 2024.
