

Present: Sh. Vinod Kumar, APP for the State.
Sh. Manjeet Jasuja, Advocate, for applicant/accused.

Heard on the bail application having been filed on behalf of accused Parminder Singh @ Parry in FIR No. 175 dated 06.09.2023 registered against him under Sections 353, 186, 323, 34 IPC at P.S. City-I, Abohar. It has been averred that applicant/accused is innocent and has been falsely implicated in this case. It has been further averred that the allegations leveled against the applicant/accused are false and baseless. It has been further averred that the occurrence took place in crowded place, but there is no eye witness, who could identify the applicant/accused. It has been further averred that accused/applicant is in judicial custody since his arrest. It has been further averred that applicant/accused will never misuse the bail granted in this case and never jump over the bail. At end, it has been prayed that accused/applicant is in custody, as such, he may be released on bail.

APP for the State, appeared and opposed the bail application on the ground that accused has committed serious offence. As such prayer for dismissal of the present bail application has been made.

I have considered the contradictory versions of the contesting parties and have deliberated over the arguments advanced in the light of documents, peculiar facts and circumstances and submissions made.

3. From the perusal of the case file, it reveals that allegations against the accused are only under Sections 353, 186, 323, 34 IPC. The accused/applicant is under detention since 07.09.2023. The presentation of challan and completion of trial thereof, will take considerable time. No useful purpose would be served by keeping the accused in judicial custody for indefinite period. Accused was remanded to judicial custody on request of prosecution itself. Therefore, without commenting upon the merits of the case, accused above named is ordered to be released on bail on his furnishing bail bond and surety bond in the sum of Rs. 20,000/- with one surety in the like amount, subject to following conditions:-
