Order No. 21

19.09.2016

Both parties present by filing hazira.

Record is taken up for hearing petition dated 08.08.2016.

Heard both sides.

Perused petitions and other materials on record.

Considered.

It appears that defendant has filed his written statement and prayed for acceptance of written statement and also for taking of record from exparte hearing board.

I consider that the defendant be given an opportunity to contest the suit. However, the plaintiff need be adequately compensated for the delay caused.

Hence, it is,

O R D E R E D,

That the petitions dated 08.08.2016 are hereby allowed on contest.

Record is taken off from exparte hearing board. Written statement filed by the defendant is accepted with cost of Rs. 3000/- to be paid by the defendant to the plaintiff.

Fix for payment of cost and framing of issues.
