

20 CR Cases 7031/2022
STATE Vs. Untraced
FIR No. 121 /2022
PS Vivek Vihar

17.09.2024

Present: Ld. APP for the State.
Complainant is absent.

Summons issued to complainant received back as served through DCP concerned, however, complainant has not appeared in the court.

This is a case pertaining to theft and snatching. After completion of investigation, IO has filed a untrace report stated that despite several efforts, accused has not been traced.

Perusal of record reveals that several opportunities have been granted to the complainant to appear before court and register his protest, if any, against the untrace report but of no avail. It is apparent that complainant does not want to register any protest. The matter is lingering in the court at the same stage since 2022.

In these circumstances, the untrace report filed by the IO stands **accepted**.

File be consigned to record room and be revived as and when any clue is found regarding this case.
