

Order Dated 10.08.2026 (Later)

The plaintiffs intend to move the application U/o.39 Rule 1 and 2 r/w Section 151 of the CPC, supported by affidavit, for ad interim injunction and also to move the application for local inspection.

It appears from the report of the Sheristadar In-Charge that a Caveat is found being No.250/2026 dated 18.06.2026 filed by the defendant no.1 of this suit over the Schedule mentioned property. The Caveat is tagged with this record.

Section 148-A mandates prior service of notice on the caveator before passing any orders on an application filed in a suit.

Therefore, in view of the provision laid down under Section 148-A of the CPC, the ad interim injunction prayer of the plaintiffs cannot be entertained by this Court without serving notice of the application upon the Caveator/defendant no.1 and the defendant no.2.

Accordingly, the plaintiffs are hereby directed to serve copy of the plaint, the application for temporary injunction along with documents upon the Caveator/defendant no.1 and the defendant no.2 at once.

The application for local inspection dated 10.08.2026 filed on behalf of the plaintiffs shall be considered by this Court after service of notice of the same upon the defendants.

Fix 10.09.2026 for hearing of the application U/o.39 Rule 1 and 2 r/w Section 151 of the CPC in presence of the Caveator/defendant no.1 and the defendant no.2.

Written objection, if any, in the meantime.
