Called again at 01.50 pm.

Learned counsel for complainant absent.

No representation.

From 11 am till 01.50 pm complainant remained absent without any representation. If the order sheet is perused, though after the service of summons, from 14.09.2022 NBW was issued from time to time by hand but in some of the hearing dates the complainant has not at all taken the hand warrant from the office even though hand warrant was ready in the office and in some of the hearing dates, the complainant has not returned the hand warrant to the court.

It appears the complainant is not interest in prosecuting the case, hence only from September 2022 he has not taken effective steps. Hence complaint is dismissed for non-prosecution.
