Order No.08  
Dt. 05.03.2026

Accused Sk. Sharib Hussain @ Danish (22 years) is not produced before this Court from JC due to technical fault in VCS.

Today is fixed for hearing of the bail application.

At the time of hearing of the bail application Ld. Counsel for the accused submits by filing the photocopy of some call records of the accused persons that on the date and time of the incident there was telephonic conversation between the VG and the accused and so it is literally impossible for the accused to commit the alleged offence for which he is under custody.

Ld. Special PP as well as the Ld. Counsel for the defacto complainant raises objection against such document.

Since the point of dispute encircles this piece of document I am of the opinion that the call records need to be verified by the Investigating Agency before reaching to any conclusion about the same.

**Accordingly, the IO of this case is directed to act upon the call records and verify the same and submit a report before this Court on 17.03.2026.**

Accordingly, the bail prayer is kept in abeyance till the next date.

Accused be remanded to J/C.

IO has submitted report regarding supplying of copy of Charge Sheet to the accused in J/C.

Fix 17.03.2026 for production of the accused from J/C, filing of report by the IO and hearing of bail application.

***IO of this case is directed to produce the CD and secure the presence of the defacto complainant positively on the next date fixed for hearing of the bail application.***

***Let a copy of this Order along with the copy of the call records so filed by the Ld. Advocate for the accused be sent to the IO for his information and filing report in this regard.***

Return CD.
