Order no.2 dated 04-12-2024

Today is fixed for taking evidence of C.S.W.1.

All the three accused persons are present by filing hazira.

The witness has not appeared.

Ld P.P in-charge is requested to ensure attendance of the witness positively on the next date.

Ld advocate for the accused persons today filed a petition stating that certain copies of documents such as FIR and written complain and charge sheet is not available with the defence as such copies have not been provided by the Ld advocate who was earlier in power on behalf of the accused persons.

A prayer is made for an adjournment on this ground and another prayer is made to direct the prosecution to provide such copies to the defence.

I have considered the petition.

At the very outset it must be stated that all necessary copies u/sec 207 Cr.P.C. have already been served upon the accused persons and as such no further direction in that respect can be given upon the prosecution.

Also it is required to be highlighted that in one single petition, two separate prayers have been made. One prayer is for adjourning the matter as the defence does not have copies of certain documents and another prayer is to pass a direction upon the prosecution to supply copies.

As per the rules, one petition should not consist of more than one prayer.

Due to all the reasons as discussed above, the instant petition seems to be infructuous and is accordingly rejected.

To 20-02-2025 for taking evidence of C.S.W.1.

D/C by me.
