Date...17/05/23.....

Present :Sri Mrityunjay Karmakar , Judge, S.C.C, Sealdah.

The Decree Holder files a petition supported by an Affidavit praying for the attachment of the salary of the Judgment Debtor. The said petition is taken up for hearing . Heard the submission of the Decree Holder. Perused the petition and other materials on record and considered.

It appears that no Appeal and / or no Misc. case is pending against the Decree sought to be executed and also against the Execution case as per the affidavit submitted by the Decree Holder. It further appears from the report of the concerned clerk that no stay is noted in S – 9 (Register). The Execution case has been filed within time. In this circumstances, I do not find any reason not to proceed with the Execution case. Hence, the petition of the Decree Holder praying for the attachment of the salary of the Judgment Debtor is allowed Ex-Parte. Issue the writ of attachment upon the Garnishee for the realizaton of the decreetal amount of Rs. 8710 /- (Rupees Eight thousand seven hundred and ten only) .

Garnishee is directed to deduct the sum in two installments out of which Rs. 2000/- (Rupees Two thousand only) for one month and Rs.6710/-(Rupees Six thousand Seven hundred ten only) for the next month from the salary of the Judgment Debtor and remit the same to this court either by M.O. or in cash towards the satisfaction of the Decree.
