Order No. 10 dated 05.02.2026

Today is fixed for acceptance of WS and for hearing of petitions dt.06.01.2026 filed by the Respondent.

The Respondent files two petitions on 06.01.2026, one praying for setting aside the order of ex-parte hearing and another show cause petition for condoning of delay in filing the WS, annexed with WS duly supported by Affidavit.

Contesting parties take steps.

Now, both the petitions are taken up for hearing for the sake of brevity of discussion.

Heard. Considered. Perused the materials on record.

The grounds made out in the two petitions are convincing enough to allow the same not only to prevent multiplicity of proceeding but also to enable the parties to have their grievances adjudicated by this Court.

Accordingly, the ex-parte hearing of the suit fixed vide order No.08 dt.20.08.2025 is set aside thereby giving the defendant an opportunity to contest the same.

Consequently, the show cause filed for delay in filing the WS is allowed. The WS is already filed by the defendant along with the show cause and the same is accepted subject to payment of Rs.500/-.

Ld Advocate for the defendant files Rs.500/- to the Ld Advocate for the petitioner/applicant and receipt is duly filed.

Fixed 21.04.2026 for framing of issues.

Parties are at liberty to file suggestive issues, if any.
