

**Ejectment Execution 02/19 (R.02/19)**

**CNR-WBSP07-**

Order dated 19-11-2022.

Today is fixed for hearing of application for police help or even if by breaking open the padlock if any. The petitioner also filed a petition for issuing fresh writ in this regard. Perused the case record and it is reflected from the order dated 06-08-2022 that this court has already allowed the police help, and direction was given to the concerned police station for providing necessary police help. Unfortunately, necessary requisite not filed for issuing writ by the DHR and therefore, writ could not be issued by this court. The question of breaking open the padlock cannot be decided at this stage without the report of the bailiff. It is reflected from the previous report of bailiff that JDR was present in the flat with his household articles but could not deliver the possession because of apprehension of peace and tranquility. It is also reflected from the case record that on 02-09-2022 a report was sent to this court by the Beniapukur P.S to the effect that bailiff did not contact with them and P.S is ready to render assistants

Considering all aspects prayer for issuing the writ is allowed. The police is directed to provide necessary assistants to the Bailiff . The prayer for breaking open the padlock if any shall be decided after getting the report of the bailiff.

To 20-12-2019 for report of bailiff. Requisite at once. I/C Beniapukur P.S is to provide necessary assistants to the bailiff who will fix a date for execution of the decree in consultation with the P.S. Copy of the order be sent to the I/C Beniapukur P.S.
