

West Bengal Form No. 3856

HIGH COURT FORM No. (M) 2.
FORM OF HEADING OF DEPOSITION
ST 01 (9) 18

Present:- Chandraprova Chakraborty

Deposition of witness No. 6 for PW, taken on oath/solemn affirmation on 05.12.23

My name is:- Dr. Chapal Kr. Panda

S/W of :- Hemanta Panda

I reside at :- A/16 Srinagar west, Kol-94 My age is:- 59 years

Police station:- Narendrapur , Dist -South 24 Parganas

My occupation is:- Doctor

Presently I am posted as Medical officer at Diamond Harbour Government medical college.

22.03.12 I was posted as medical officer at Diamond Harbour SD hospital.

On that day I post postmortem death body of deceased Bhabani Mondal wife of Siddheswar Mondal with reference to Raidighi PS UD case no.08/12.

Dead body was produced to me by Home guard Panchanan Bhandari.

On examination of the dead body I found an oblique, non continuous ligature mark placed high up in the neck, measuring 11 inches X ¼ inches with a gap of 3 inches on left side of neck below left ear and her skin under the ligature mark is perched on dissection the subcutaneous tissues reveals no extravasation of blood.

I found 200 CC rice food materials in stomach of the deceased.

I also found her external and internal genital intact.

Wearing apparel and viscera of the deceased was preserved and handed over to police for FSL report.

On examination I found that the victim died due to the effect of asphyxia resulting from hanging, ante mortem in nature .

This is the original PM report of the deceased duly prepared and signed by me.

The PM report is marked as **exhibit 2**.

In this case asphyxia caused due to hanging.

Cross examination

It is fact other than ligature mark I did not find any other injury external mark in body of the deceased.

Nature of hanging indicates the case as suicide. This kind of ligature mark is not possible in case of homicidal death.

(Closed).

ST 01 (09) 18
