

29/12/2025

Today is fixed for payment.

Both parties are represented by their Advocate on record.

One petition is filed on behalf of the OP with an offer to make part payment of Rs. 5000/-.

Ld. Advocate for the petitioner raises objection and prays for issuance of WA citing huge amount of arrears.

Perusal of record supports the contention of the petitioner. Enough and ample opportunities has been given to the OP for clearance of dues, but he has failed to comply the order.

In view of the above, petition filed on behalf of the OP is rejected.

Issue WA at once for realization of maintenance arrears.

Requisites at once.

Day adjourned.

To 30-03-2026 for ER of WA.
