Sess. Case no.66/22

60/19.11.2025

This court is lying vacant. I am in charge of the court who is in charge of this vacant court.

Today is fixed for production of the accused and further cross examination of PW.27/SI Mrityunjoy Biswas.

The accused is produced from JC through VC mode.

Ld P.P in charge and Ld defence counsel are present.

The witness SI Mrityunjoy Biswas who had been partly examined as PW27 is present today.

Ld P.P in charge today filed a petition and submitted that this witness is appearing in the court repeatedly and on every occasion, the defence is shown reluctance in cross examining the witness.

It is necessary that the cross examination of this witness is taken on this date.

Ld defence counsel has shown readiness in cross examining the witness.

I have heard both sides.

At the very outset, I would like to delve upon a pertinent fact with regard to the sorry state of affairs relating to this court.

I find that this court is lying vacant for more than six months now.

The Ld Judge who is in regular charge of this court is absent today. Accordingly, on this date I have come in charge of this court.

I have considered the gravity of the case and also the direction of the Hon'ble High Court in CRN (DB) 664 of 2024 dtd. 01.03.24.

But I am constraint to hold that in addition to this court, I am in charge of special courts such as POCSO Court and NDPS Spl. Court.

I am having several records fixed in my own diary. Due to such per-occupation I am in no position to record evidence in this case.

Accordingly, let the witness be released without examination with a direction to appear on the next date.

Fix 16.12.2025 for production of the accused and for taking further cross examination of PW.27.
