

Probate 12 of 2019
CNR No. WBUD01-003013-2019
JO Code No. WB00700

Order no.32
Dated: 14.01.2026

The case is posted for hearing of a petition u/o 6 Rule 17 of CPC filed by the petitioner on 01.11.2025.

Both sides file separate haziras through their Id. Advocate.

Heard the submission from the petitioner and objection from the opposite party.

Perused the petition, written objection filed by the OP and pleading of both sides.

It appears to me that the proposed amendment is formal in nature and if it is allowed nature of the suit will not be changed. Moreover, trial has not yet been initiated therefore, OP will get the opportunity to rebut the plea taken by the petitioner. Accordingly, the petition u/o 6 rule 17 of CPC dated 01.11.2025 filed by the petitioner is considered and allowed.

Petitioner is directed to file amended plaint on **29.01.2026**.

Typed and corrected by me.
