There are other cases registered against them and deadly weapons can be recovered from their possession and at present they are present near P-Marka Factory, in the area of Jawahar Nagar Moga and are making planning to commit dacoities and if raid be conducted, they can be apprehended along with deadly weapons.

4. Learned counsel for applicant/accused argued that applicant is quite innocent and has been falsely implicated in this case. No specific allegation has been levelled against the applicant/accused and concocted story of preparation to commit dacoity has been framed by the investigating agency. He further submitted that the applicant/accused is in custody since 09.02.2026 and his further incarceration is not required by the police, so, no useful purpose would be served by keeping the accused behind the bars. With these submissions, he requested for according bail to the applicant.

5. Per contra, learned Addl. Public Prosecutor contended that in view of the seriousness of the offence so committed by the accused/applicant, he does not deserve any kind of leniency. He prayed that keeping in view of the seriousness of the offence, bail application of the applicant may kindly be dismissed.

6. I have gone through the record of the case. The only allegation against the accused/applicant is that he along with his co-accused were making planning to commit dacoity. Accordingly raid was conducted and one wooden handle of spade was recovered from possession of present applicant/accused. Alleged recovery has already been effected. Now nothing is to be recovered from him. The applicant/accused is in custody since 09.02.2026. As such, keeping in view of the facts and circumstances of the present case and the fact that accused is in custody since the date of his arrest and it will take considerable time for conclusion of trial, this Court is of the considered opinion that in given circumstances, no useful purpose is going to be served by keeping

the accused/applicant in custody for longer period.
