S.L.No	Date of order of proceeding	Order with the signature of the Court	Office action taken with date
	06.02.2025	Case called out. The complainant is not present today. Perused the case record. From the perusal, it transpires that the present complaint petition has been filed on 11.10.2022. Thereafter, statement on complainant and enquiry witnesses, the court found prima facie case against seven accused persons as mentioned in complaint petition under section 323, 341, 504, 506/34 of IPC on 10.06.2024 and directed the office to issue summons for the appearance of accused person after filing necessary requisites by the complainant. From the perusal, it appears that since 04.07.2024 the record is pending for filing of requisites by the complainant and till date the complainant has not filed any requisites in this case. On previous several dates the complainant was directed to file requisites. Last chance was given to the complainant on 20.01.2025 However, no pairvi has been done by the complainant since 13.02.2024 and even after summoning order the complainant has not done pairvi and not even filed requisites. Even today no requisites have been filed. Considering the facts and circumstances it appears that the complainant has lost interest in this case and a reasonable time has been given for the filing of requisites and process fee. In the result the following orders are passed. ORDERS • The complaint petition is dismissed under section 204 (4) of criminal Procedure code. • The office clerk is directed to deposit the record, complete in all respect and further completing all procedural formalities, with the record.
