

J.O. Code No. WB01301

R. No. 2941/2026 CNR No. WBWM01 006258 2026

03 dtd. 16.07.2026

The case record is put up today on the basis of a put up petition.

This is an application u/s 482 of B.N.S.S. filed by the petitioner namely, Farhad Khan in c/w Chandrakona P.S Case No. 236/2026 dated 12.06.2026 u/s. 85/115(2)/117(2)/109(1)/316(2)/303(2)/351(2)/3(5) BNS and Section 3 of Dowry Prohibition Act, 1961 .

Ld. Advocate for the petitioner/petitioners submitted that no bail application has either been filed before any Higher Court or any such bail petition has been rejected.

Ld. Advocate for the petitioner submit that this petitioner has been falsely implicated in this case and he has nothing to do with the alleged offence. Ld. Advocate for the petitioner submits that marriage between the parties took place one year ago and the matrimonial inmates are on bail. Therefore, he prays for anticipatory bail on any terms and conditions.

Ld. P.P. in-charge produced the case diary and leaves the adjudication of the case to the discretion of the Court by pointing out the matters available in the case diary.

Heard the Ld. Advocate and Ld. P.P. in-charge.

Perused the petition, CD and other materials in case record.

Regard being had to the facts and circumstances of the case and bearing in mind the extent of complicity of the present accused person, as transpires from the materials available in the Case Diary, more particularly, the statement of victim lady recorded u/s 183 of B.N.S.S, medical papers including the injury report, the stage of investigation and considering the nature and gravity of the offence, I am of the considered view that this is not a fit case to admit the present accused person with an order of pre-arrest bail at this stage. Accordingly, the prayer for anticipatory bail stands **rejected**.

Misc case is disposed of. CD/TCR, if any, be returned.

Copy of this order be sent to the Arresting Officer and Learned Trial Court for information.

Dictt. and corrt by me,

S.J.

Sessions Judge,
Paschim Medinipur
