Order No. 16 dated 02.12.2024.

The record is put up by the petition.

The claimant/ petitioner files another petition with a prayer for amendment of the claim petition.

The opposite party/ insurance company has endorsed no objection on the face of the petition.

Heard on the petition.

Considered.

The claimant/ petitioner has prayed before this Tribunal to amend the claim petition by substituting the section of the Act. She has stated that inadvertently the section has been mentioned as Section 166 of the Motor Vehicles Act, 1988 in place of Section 164 of the Motor Vehicles Act, 1988.

Perused the petition.

I find that the amendment, as prayed for, is formal in nature and if allowed, it will not change the nature and character of the instant claim case and hence the same is allowed.

The claimant/ petitioner files amended petition. Let it be kept with the record.

To date (**31.01.2025**).
