Order dated 08.01.2025:

Today is fixed for appearance of all charge-sheeted accused persons and appearance of the de facto complainant for hearing of Narazi petition filed by the D/C in the presence of all sides.

Accused persons on C/B are represented by their Ld. Advocate.

Ld. APP is present.

Ld. Advocate of the de facto complainant is also present.

Record is taken up for hearing of the Narazi petition submitted by the de facto complainant against the charge-sheet submitted by the I/O after completion of investigation against the accused persons, namely, **1.Argha Roy, 2.Tanuja Roy and 3. Asit Roy.**

It was submitted on behalf of the de facto complainant that the I/O had not done proper investigation and some persons who were directly involved in the inflicting torture upon the de facto complainant and destroying her family life, had been discharged by this Court on the basis of the prayer of the I/O made in the charge-sheet.

From the submissions of the Ld. Advocate appearing for the de facto complainant it appears that the de facto complainant is not satisfied with the investigation as three persons namely, **1. Pinki Nag, 2. Piu Mandal and 3. Bapi Mandal** were **discharged** from this case.

Ld. Advocate appearing for the accused persons strongly objected against the submissions made in the narazi petition.

Having considered the contention of all side as well as the submissions of the Ld. APP, this Court is of the opinion that before ordering any further investigation on the basis of narazi petition which may have an implication against the discharged accused persons, it would be proper to hear the discharged accused persons in this case. The discharged accused persons have a right to be heard before any further investigation is directed in this case.

Accordingly, issue notice upon the discharged accused persons, namely, **1. Pinki Nag, 2. Piu Mandal and 3. Bapi Mandal** to appear before this Court for hearing of the narazi petition.

Fix **10.02.2025** for appearance of all contesting parties for hearing of Narazi petition.

G.R. Case No.1008 of 2022 [CIS - 1050 of 2022]

Order dated 09.01.2025:

Today is fixed for hearing and N/O in presence of the I/O.

I/O has appeared before the Court today and submitted compliance report along with bunch of medical documents of his treatment. Let them be kept with the case record.

Three accused persons are represented by their Ld. Advocate.

Death intimation of one accused person, namely, Ansar Ali Khan is also submitted before the Court today through his Ld. Advocate. Let it also be kept with the case record.

Heard the Ld. Advocates.

Heard the Ld. APP.

Heard the I/O in person who submitted that due to his medical treatment for long time, some miscommunications has taken place for which the final report could not be submitted by him before the Court on time.

Perused materials on record.

Considered.

In this case, the I/O has submitted his final report in the form of NCR vide Garhbeta P.S. NCR No. 384 of 2023 dt.28.02.2023, after a delay of nearly 2 years from the date of the booking of the NCR. It seems that the I/O has been suffering from various kind of medical complications but it is no ground for submitting such long back dated Reports before the Court.

However, considering the medical issues of the I/O, this Court is not passing any adverse Order against him today. I/O ASI Mithun Roy is warned to be sincere in future in discharging his duties.

Let a copy of Order be forwarded to O/C Garhbeta P.S. for supervising the functioning of ASI Mithun Roy.

After perusing the NCR No. 384 of 2023 dated 28.02.2023 under Sections 323/506/34 of IPC, it appears that a prima facie case is made out against accused persons, namely, 1. Khursida Khatun, 2. Mojaffar Mandal, 3. Saidul Mandal @ Saudil Islam Mandal and 4. Ansar Ali Khan.

Hence, cognizance of offence is **taken**.

However, as per intimation given to this Court, accused person namely, Ansar Ali Khan has already expired in the meantime, therefore, let a report of his death be called from the concerned P.S.

Dealing Assistant is directed to re-register this case as an NGR case and make necessary entries in the relevant registers.

'Extract copy of Order-sheet'

Order dated 06.01.2025:

Record is taken on board on the strength of put up petition.

One petition is filed by the accused/petitioner, namely, **Sandip Dutta** praying for return of seized lorry bearing Registration No.WB25H/4837 along with its seized documents. Let the petition be kept with the case record.

Heard the Ld. Advocate appearing for the petitioner/accused person.

Heard the Ld. APP.

Perused the materials-on-record and C/D.

Considered.

The investigation of the present case has ended with submission of charge-sheet vide Goaltore P.S. C/S No.231 of 2019 dated 19.12.2019. All these years, after submission of charge-sheet, the above named accused/ the petitioner has not appeared before this Court to pray for return of the seized lorry. The petitioner/accused after getting bail from the Ld. Sessions Judge, Paschim Medinipur has surrendered before this Court on the previous date, i.e., 30.12.2024.

Perusal of the case record further shows that the I/O has not done the inventory of the seized lorry properly and no photographs had been taken of the same.

However, it can also be seen that one report has been obtained from the BL & LRO, Garhbeta-II, by the I/O during investigation in respect of the quantity of the sand loaded in the said seized lorry.

As the investigation has already been completed and the report of the BL & LRO is also lying with the case record regarding the amount of the stolen sand, I am of the opinion that no Order is required for further inventory but only photographic evidence should be preserved.

Accordingly, I/C. Goaltore P.S. is directed to collect photographs of the seized lorry bearing Registration No.WB25H-4837 and submit a compliance report along with photographs before this Court for further Order.

Fix **21.01.2025** for compliance report by I/C Goaltore P.S. and further necessary Order.

A Status Report of investigation is also submitted by the I/O before the Court today admitting that a Report is received from the Range Officer, Chandrakona Range is received by him but some further clarifications are required.

Garhbeta P.S.123 of 2022 dt. 17.03.2022
Continued Order dated 25.11.2024:

It can be seen on perusal of the case record that the two points over which the investigation was stalled are now clear by the Forest Department. The Forest Department has submitted on the earlier date an estimated value of the timber obtained from the illegally felled trees. Today it appears that the Forest Department has also communicated to the I/O the loss caused to the environment for such illegally felling of trees in the form of NPV, i.e., Net Present Value calculated on the basis of the rates prescribed by the Government of India through the Notification dated 06.01.2022 of the Ministry of Environment Forest and Climate Change.

The I/O has prayed for further time of four months to obtain clarification over certain points and to investigate the role of some other collaborators/accused persons who may be found involved.

Considering everything and for the purpose of proper investigation the prayer of the I/O is **allowed**.

However, the I/O is directed to complete his investigation by the next date fixed positively.

In respect of the petition dated 18.09.2023 made by the Forest Department regarding disposal of the seized timber, this Court is of the opinion that the said petition was made in a lackadaisical manner without proper valuation report of the illegally felled Eucalyptus trees. However, as the Forest Department has already submitted its valuation report subsequently, in compliance of this Court's Order, I find no reason to further detain the seized logs of wood.

Moreover, there is no counter claim made in respect of those seized Eucalyptus logs totaling 591 number as stated in the application of the Forest Department dated 18.09.2023. None of the accused persons or any other interested person has made any application before this Court claiming to be owner of

the said seized logs of wood.

Continued Order dated 25.11.2024:

Accordingly, the application dated 18.09.2023 made by Range Officer, Chandrakona Range is allowed to avoid further loss of Government Revenue with condition that the Forest Department will keep a sample of ten (10) logs from the seized logs of Eucalyptus trees and also take proper photographs before their disposal through e-Auction.

Range Officer, Chandrakona Range is further directed to submit a compliance report before this Court regarding the disposal of the seized logs as directed above on the next date fixed.

Let a copy of this Order be communicated to Divisional Forest Officer, Medinipur Division for information and ensuring compliance by Range Officer, Chandrakona Range.

Let a copy of this Order be also communicated to S.P., Paschim Medinipur for information and to ensure that the investigation is completed by the I/O before the next date fixed.

On perusal of the case record I find that the above named accused is aged about 60 years. In this case most of the principal accused persons are already enlarged on bail. Although, it is a fact that as per seizure list prepared by the I/O two motor cycles were allegedly seized from the possession of the above named accused person but considering the entire facts of the case, I do not deem it necessary to keep the accused person for further detention. There is little scope for the accused to tamper evidence and interfere with the investigation if enlarged on bail as most of the search and seizures are already complete.

Hence, bail prayer is allowed in interim form with condition that the accused person will meet the I/O once in a week until further Order.

Accordingly, the accused person named above may find interim bail of Rs.2000/- with one surety with above condition i.d. to J/C.

The I/O has also prayed for addition of Section 103 of BNS in this case along with the FIR noted Sections. After going through the C/D and the materials produced before the Court during the hearing I find the prayer of the I/O is justified and the same is **allowed**.

Accordingly, Section 103 of BNS is added in this case along with the existing penal Sections.

Considering the nature and gravity of the offence, the bail prayer stands **rejected**.

Now the record is taken up for consideration of the P.C. remand application made by the I/O today in respect of accused persons namely, **Surajit Debnath and Tapan Roy**. The P.C. Remand prayer of the I/O is necessary for further investigation of the case. Having regard to the allegations contained in the FIR as well as materials available on C/D, I am of the opinion that for the benefit of investigation, PC remand prayer made by the I/O should be allowed but for **four (04)** days.

Pertinent to note that the two other accused persons namely, **Bishu Roy and Ankit Roy** who are produced under arrest before the Court by the I/O has also suffered head injury and other injuries in the incident. Perusal of the inspection memo of the accused Bishu Roy and Ankit Roy shows that after arrest they were medically treated as per advise of the Medical Officer. However, as their bail application has been rejected today considering the gravity of the offence it is necessary that arrangements be made for their proper treatment during their judicial custody.

Accordingly, Superintendent, MCCH is directed to make necessary arrangements for complete medical treatment of the two accused persons, namely, Bishu Roy and Ankit Roy during their J/C remand period and submit a report before this Court on their next date of production.
