

T.S 19/2019 (CIS REGISTRATION NO. 12/2019)

Order no. 38 dt. 07.03.2026

Record is fixed today for reply to show cause by the plaintiff.
None moves for the plaintiff despite repeated calls.
No steps/petitions have been filed by the plaintiff.
Reply to show cause has not been filed by the plaintiff till date.
Perused the case-record and the materials therein.

Upon perusal of the record it is seen that since 10.11.2025 the plaintiff has been absent without any steps and on that date itself the plaintiff was directed to show cause why the suit shall not be dismissed. On the subsequent two dates the plaintiff was again absent without steps and reply to show cause had not been filed due to which the record was adjourned for the ends of justice. Today also the plaintiff has abstained himself from appearing before this Court without furnishing any reason or explanation.

It is seen that sufficient opportunities were provided to the plaintiff but the plaintiff failed to avail the same. Be it also mentioned that the defendants have not admitted any part of the claim of the plaintiff and the suit had been directed to proceed exparte as reflected from the earlier orders passed in this suit.

In view of such facts and circumstances and in view of the continued absence of the plaintiff without furnishing any reason or explanation, the present suit stands dismissed.
