

Order dated 16.04.2026

Today the record is placed as the OP **Milon Sk.** is produced on the strength of W/A alongwith supplementary record.

Seen the memo of arrest, the inspection memo, medical document and supplementary record.

One bail petition is filed on behalf of OP from legal aid.

Perused the available materials on record.

On perusal of case record, I find that the instant case is filed for the arrear maintenance. It also appears that against the non payment of remaining arrear amount, WA against the OP was issued accordingly. It is settled principle of law that the executing Court has only to enforce the order and cannot go beyond the order of original Court which passed the order. On the other hand, I also find that no remaining payment has been made by OP. On being asked by the court, the OP refused to pay by expressing his incapability to pay the amount.

In view of above observation, bail petition is considered and **rejected**.

Let the OP be sent to JC for the period of 30 days against the arrear maintenance of one month only.

The Superintendent, Lalbagh, Sub-Correctional Home is hereby directed to release the OP at the completion of 30 days (to be counted from 14.04.2026).

Let a copy of this order be sent to the Superintendent, Lalbagh, Sub-Correctional Home for his perusal and compliance.

BC-I is directed to take note of it.

To **01.06.2026** for necessary steps by the petitioner and payment.
