IA NO: 2 OF 2024

Petition under Section 151 CPC is filed praying that in the circumstances stated in the affidavit filed in support of the petition, the High Court may be pleased to grant interim suspension of the orders passed by the learned Single judge in W.P.No.15245 of 2023, dated 5.12.2023, pending disposal of WA No. 288 of 2024, on the file of the High Court.

The petition coming on for hearing, upon perusing the Petition and the affidavit filed in support thereof and the High Court order dated 01.09.2025, 15.09.2025, 22.09.2025, & 25.09.2025, made herein and upon hearing the arguments of GP FOR SCHOOL EDUCATION (AP) Advocate for the Petitioner, Sri U D JAI BHIMA RAO for the Respondent Nos.1 to 51; Sri MALLAMPALLI SRINIVAS (CENTRAL GOVT COUNSEL), for the Respondent No.52; GP for Services III for the Respondent No.53 and the Court made the following.

ORDER:

In compliance of the order of this Court, dated 25.09.2025, Mr Sanjay Kumar, Secretary, Department of School Education & Literacy, Ministry of Education, Government of India appeared on virtual mode and Mr Kona Sasidhar, Secretary to the School Education Department, Government of Andhra Pradesh present before this Court.

Mr Sanjay Kumar, Secretary, Department of School Education & Literacy, Ministry of Education, Government of India would submit that they are releasing 60% funds for implementation of the Sarva Shiksha Abhiyan Scheme and the State Government has to spend 40% funds. As per the scheme, the State Government has to take steps for administrative actions including recruitment of the teaching faculty. He further submits that if the State Government intends to recruit teaching faculty on permanent basis to impart quality education to the downtrodden students studying in those institutions hailing from rural areas, the Government of India will support its decisions by providing financial assistance as per the policy.

Sri Kona Sasidhar, Secretary to the School Education Department, Government of Andhra Pradesh would submit that the State Government is ready to make permanent recruitment to the teachers serving in those institutions for imparting quality education as stated by the Secretary to the Government of India, School Education Department. But, if the State

proceeds with the permanent recruitment of the teachers in those institutions, there will be a possibility of further complications in future if that scheme is abruptly stopped by the Government of India. Hence, he contends that if such situation arose it is very difficult for the State Government to accommodate those persons who are recruited on permanent basis. Further, he submits that larger issues are involved in recruiting the teaching faculty on permanent basis and proper deliberations with the Government of India are required on this aspect.

This Court is fully agreeing with the contention of the Principal Secretary of the State Government. As this scheme is introduced by the Government of India, the Government of India has to prescribe modalities to make permanent recruitment of the teaching faculty in these institutions for imparting quality education to the students studying therein.

To enable the Government of India to make deliberations with the State Governments on this issue and to take proper policy decision on this aspect in the interest of the students studying in these institutions across the Country who belongs to marginalized sections of the Society, this Court intends to adjourn this matter for a period of four (04) weeks.

Mr Gurram Rama Chandra Rao, learned Government Pleader appearing for the appellants would submit that the State Government intends to implement the order of the learned Single Judge and the order of compliance will be placed before this Court in due course.

The statement of the learned Government Pleader is placed on record.

Post on 11.11.2025.

The appearance of the officers present before this Court is hereby dispensed with.
