13844 of 2025

COMMON ORDER:

The batch of writ petitions is filed to declare the action of Respondents in disqualifying the Petitioners/Home Guards in physical efficiency test treating them on par with general recruit candidates pursuant to the notification in Rc.No.161/SPPRB/Rect.2/2022 dated 28.11.2022 though the Petitioners are seeking appointment only against the quota of 1167 vacancies reserved for Home Guards and not against general vacancies, as arbitrary and illegal and for a consequential direction for fixing separate qualifying marks in the written exam and to enhance the time for physical efficiency test and to prepare a merit list for 1167 vacancies of Police Constables meant for Home Guards.

2. As the issue in these writ petitions is common, with the consent of learned counsel, the matters were taken up for hearing and are disposed of by this common order.

3. W.P.No.2258 of 2025 is taken up as lead case and the facts are as under:

The Petitioners are working as Home Guards. A notification was issued by Respondent No.2 on 28.11.2022 vide Rc.No.161/SLPRB/Rect.2/2022 proposing to fill up 6100 number of vacancies of Stipendiary Cadet Trainee (SCT) Police Constables (Civil) (Men & Women) and Stipendiary Cadet Trainee (SCT) Police Constables (APSP) (Men) in Police Department. The recruitment of posts would be made in terms of A.P.Police (Stipendiary Cadet Trainee) Rules, 1979 issued vide G.O.Ms.No.315, Home (Pol.C) Department, dated 13.10.1999 and amendments thereon.

4. The selection procedure was that initially, preliminary written test would be conducted for 200 marks. The candidates who qualified in the preliminary written test will be informed about the dates through the website for appearing in the Physical Measurements Test (PMT)/Physical Efficiency Test (PET) along

with details of venue, date and time. For Physical Measurements Test, Men should have a height of not less than 167.6 centimeters and Chest of not less than 86.3 centimeters with a minimum expansion of 5 centimeters. For Women, the height should not be less than 152.5 centimeters and weight must not be less than 40 kgs. Certain relaxed parameters were provided for candidates belonging to Scheduled Tribes and Aboriginal Tribes in the Agency areas of Srikakulam, Vizianagaram, Visakhapatnam, East Godavari and West Godavari Districts.

5. After Physical Measurement Test, Physical Efficiency Test would be conducted to those candidates, who have qualified in Physical Measurement Test and the standards are given below:

Sl. No.	Item	Qualifying Time / Distance		
		General	Ex. Servicemen	Women
01	1600 meters run	8 Minutes	9 Minutes 30 Seconds	10 Minutes 30 Seconds
02	100 meters run	15 seconds	16.5 seconds	18 Seconds
03	Long jump	3.80 Mtrs.	3.65 Mtrs.	2.75 Mtrs.

Sl. No	Item	Qualifying Time / Distance			Maximum Marks
		General	Ex. Servicemen	Women	
01	1600 meters run	8 Minutes	9 Minutes 30 Seconds	10 Minutes 30 Seconds	40
02	100 meters run	15 seconds	16.5 seconds	18 Seconds	30
03	Long jump	3.80 Mtrs.	3.65 Mtrs.	2.75 Mtrs.	30

6. Thereafter, the candidates who qualify in the Physical Efficiency Test shall be required to appear for final written examination and the minimum qualifying marks for OCs is 40% (including those claiming EWS reservation), 35% for BCs and 30% for SCs/STs/Ex-Servicemen.

7. The final selection will be on the basis of the relative merit obtained in the final written examination and as per the provisions of the A.P.Public Employment (Organization of Local Cadres and Regulation of Direct Recruitment) Order, 1975 and G.O.(P).No.763, General Administration (SPF.A) Department, dated 15.11.1975 as amended from time to time.

8. The grievance of the Petitioners is that they belong to the category of Home Guards, which is considered to be a distinct cadre in which the Rules have recognized 15% quota in the notified posts. Though they were provided a quota for appointment in the cadre of Constables, no separate criteria was provided for the Home Guards considering the nature of duties being performed by them from time to time.

9. It is contended by the learned counsel for the Petitioners that separate quota was provided to the Home Guards taking note of the conditions in which they are called upon to work and that even on the date of preliminary examination, the Petitioners were attending the work and had to write the examination after taking leave from the concerned superiors. It is in that context, learned counsel for the Petitioners would submit that separate physical parameters should be provided to the Petitioners and in the absence of the same, the quota prescribed would be left unfilled. Learned counsel further submits that out of total posts of 1167, just 200 candidates have qualified for the preliminary examination and the rest of the unfilled vacancies would be added to the general category and the Petitioners would never be able to compete with general category candidates. It is further

contended that Home Guards should be considered by giving different parameters for selection as given to Ex-Servicemen and in the absence of the same, the quota of 15% in the Rules would remain a mirage.

10. Learned counsel for the Petitioners relied on three Division Bench judgments of this Court i.e ***The Chairman, State Level Police Recruitment Board, Hyderabad and two others v. B.Sambasiva Rao¹, P.Nagarjuna v. State of Andhra Pradesh²*** and ***W.P.Nos.1142 of 2016*** and batch apart from Judgment of learned single Judge in ***W.P.No.6631 of 2023*** and batch dated 18.12.2024 to further their contention that the Division Bench of this Court directed *inter se* merit amongst the Home Guards and thereafter consider horizontal reservation.

11. In response, learned Advocate General would contend that the physical parameters are part of the Rules framed under Article 309 of the Constitution of India for appointment to the category of Constables (Civil) (AR) and the same is reflected in the notification for recruitment. As long as the Rules are not changed, it would not be open for the Petitioners to seek for *inter*

¹ **(2016 (6) ALT 14)**

² ALT 2017 (5) 683

se merit without reference to the physical parameters. Learned Advocate General would further contend that merely because the Home Guards are treated to be separate cadre entitling for vertical reservation, the same would not mean that physical parameters prescribed for the post in which they are to be appointed should also be diluted. It is further contended that the physical parameters have to be examined *vis-a-vis* the requirement of the job in which the Petitioners are claiming appointment and not the other way round.

12. As regards the judgments of Division Bench of this Court, learned Advocate General would further contend that the notification was issued subsequent to the amendments in the Recruitment Rules vide G.O.Ms.No.87 Home (Legal-II) Department dated 15.07.2016 specifying parameters for selection and the judgments were rendered with reference to Rules in vogue prior to G.O.Ms.No.87. Learned Advocate General would further contend that the Petitioners having participated in the selection process cannot turn around and question the selection. The last of the submissions was that the relief in these writ petitions is verbatim similar to W.P.No.6631 of 2024 and batch

and as no relief was granted therein, the present batch of writ petitions cannot be maintained.

13. The issues that fall for consideration in these writ petitions are as follows:

(a) Whether the Petitioners are entitled to seek for different parameters for selection?.

(b) Whether the Petitioners are entitled to challenge parameters for selection after participating in the selection process?

14. **Issue (a)** : The Andhra Pradesh Home Guards Act, 1948 governs the constitution, appointment, penalties etc., of “Home Guards”. As per the Act, the Home Guards are a volunteer organization for use in emergencies in the State of Andhra Pradesh. They serve as auxiliary to the police and help in maintaining internal security.

15. The Recruitment Rules to the posts of Police Constable and Sub-Inspector were framed and titled as “*The Andhra Pradesh Police (Stipendiary Cadet Trainee) Rules, 1999*” vide G.O.Ms.No.315, dated 13.10.1999 under proviso to Article 309 of the Constitution of India. Initially, the Recruitment Rules did not

provide for any quota to the Home Guards nor any physical parameters were mentioned. An amendment was brought in to the above Rules vide G.O.Ms.No.97, Home (Legal-II) Department on 01.05.2006 and Rule 3D was introduced into the Rules providing special representation (reservation) as provided in Rule 22 of the Andhra Pradesh State and Subordinate Service Rules, 1996.

16. The “Home Guards” were a special category under Rule 3D(v) and the same reads as follows:

“(v) Home Guards: Persons who as on the date of notification have been on duty as Home Guards for a minimum duration of 360 days within a period of two years and who are still continuing their service as Home Guards.”

17. The other special categories in the Rules are Police Executive (PE), Police Ministerial (PM), Meritorious Sports Person (MSP), Children of Police Personnel and NCC.

18. This amendment vide G.O.Ms.No.97, dated 01.05.2006 also provided minimum Physical Measurement and Physical Efficiency tests. These Physical Measurements for men remained constant as on date, but specifications were provided for women in the later amendments to these Rules. The Physical Efficiency

Test under these Rules remained constant insofar as 100 mtrs., run time and long jump for men and Ex-servicemen, but long jump and high jump were omitted as on date. The 800 mtrs., run time of 200 seconds was modified to 1600 mtrs., in 8 minutes. For women, specifications for the test were provided in the later amendments. For better clarity, the Physical Efficiency Test parameters are extracted below:

d) Physical Efficiency Test : Candidates declared qualified as above will be required to qualify in all the five events of the Physical Efficiency Test as detailed below :

			<u>Qualifying time / distance</u>	
			<u>General</u>	<u>Ex Servicemen</u>
1.	100 Meters run	---	15 Seconds	16.5 Seconds
2.	Long Jump	---	3.80 Meters	3.65 Meters
3.	Shot-put (7.26 Kilograms)	---	5.60 Meters	5.60 Meters
4.	High Jump	----	1.20 Meters	1.05 Meters
5.	800 Meters Run	---	170 Seconds	200 Seconds

19. The Physical parameters and Efficiency tests were introduced along with the special quota to the Home Guards in

the Recruitment Rules and these parameters remained broadly constant for over 16 years i.e., till the date of present recruitment notification on 28.11.2022. In the subsequent recruitments to the class of Police Constables, there never was a challenge to these physical measurements and efficiency requirements and these tests were the basis for selection. The longevity of the Rules and the physical demands of the post of Police Constable makes the requirements essential for appointment.

20. It is to be noted that Physical Measurement and Efficiency requirements should be examined from the view point of the requirement of the post of Police Constable. The plea that the Petitioners should be provided separate qualifying marks and relaxed physical tests only on the ground that they are to be treated as a separate quota does not appear to be correct. There are other groups for whom separate quota / vertical reservation is provided, but even for those, the physical tests remain constant.

21. It is to be noted that Petitioners as a class of 'Home Guards' seek special treatment considering their age and long service. As per the notification, the Home Guards falling within the definition as stated supra and in the age group of 18-32 years

are entitled for the special quota of 15% and 25% respectively. The Petitioners are beyond 32 years and appear to be coming under relaxed age conditions as per the notification. Be that as it may, the point is that the Home Guards from the age of 18 onwards are entitled to be considered for appointment. If the arguments of the Petitioners are accepted, even the 18 year olds would also have to be given the relaxation. Nothing is forthcoming as to why Home Guards in the age bracket of general category be entitled for relaxed physical tests.

22. As regards the Ex-servicemen, the term is defined in Rule 2(16) of the A.P.State and Subordinate Service Rules, 1996 and the same includes retired army/navy/air force personnel earning their pension, a person retired on medical grounds and awarded medical pension/disability pension, person released on reduction in establishment and persons released from service after specific period of service including members of territorial army. A reading of Rule 2(16) would indicate that Ex-servicemen form a distinct class and there is merit in being provided relaxed physical parameters as they do not fall in the age bracket of the general category unlike Home Guards. As a class and not as individuals, there is nothing in common between Home Guards

and Ex-servicemen and the Judgement of Hon'ble Supreme Court vis-a-vis Ex-servicemen in ***State of Orissa v. Mohd. Yunus and others***³ would not be of any avail.

23. It is too well known that the Courts cannot bypass the statutory requirements and direct appointment as that would amount to altering the Recruitment Rule as held by Hon'ble Supreme Court in ***State of M.P. v. Dharam Bir***⁴,. The Paragraph 31 thereof is relevant and extracted below;

“31. The plea that the Court should have a “human approach” and should not disturb a person who has already been working on this post for more than a decade also cannot be accepted as the courts are hardly swayed by emotional appeals. In dispensing justice to the litigating parties, the courts not only go into the merits of the respective cases, they also try to balance the equities so as to do complete justice between them. Thus the courts always maintain a human approach. In the instant case also, this approach has not been departed from. We are fully conscious that the respondent had worked on the post in question for quite a long time but it was only in ad hoc capacity. We are equally conscious that a selected candidate who also possesses necessary educational qualifications is available. In this situation, if the respondent is allowed to continue on this post merely on the basis of his concept of “human approach”, it would be at the cost of a duly selected candidate who would be deprived of employment for which he had striven and had ultimately cleared the selection. In fact, it is the “human approach”

³ 1994(2) SCC 55

⁴ (1998) 6 SCC 165

*which requires us to prefer the selected candidate over a person who does not possess even the requisite qualification. **The courts as also the tribunal have no power to override the mandatory provisions of the Rules on sympathetic consideration that a person, though not possessing the essential educational qualifications, should be allowed to continue on the post merely on the basis of his experience. Such an order would amount to altering or amending the statutory provisions made by the Government under Article 309 of the Constitution.***

24. After referring to the above judgement, a similar view was taken in ***State of Gujarat v. Arvindkumar T. Tiwari***⁵. The relevant part of the judgement at paragraph 12 is extracted below.

“12. Fixing eligibility for a particular post or even for admission to a course falls within the exclusive domain of the legislature/executive and cannot be the subject-matter of judicial review, unless found to be arbitrary, unreasonable or has been fixed without keeping in mind the nature of service, for which appointments are to be made, or has no rational nexus with the object(s) sought to be achieved by the statute.”

25. In the present case, the Petitioners are not contending that there is no rational nexus between the tests and the appointment, but seek for relaxed parameters considering their long service

⁵ (2012) 9 SCC 545

and being members of special quota. As stated above, the relief sought is beyond the realm of Courts.

26. Coming to first of the decisions relied upon by the counsel for Petitioners i.e., ***The Chairman, State Level Police Recruitment Board, Hyderabad and two others v. B.Sambasiva Rao***, (1 supra) the issue that fell for consideration was whether the reservation earmarked for special categories under the Rules should be treated as vertical reservation or horizontal reservation. The paragraph No.1 of the Judgment states the issue that fell for consideration and the same is extracted below :

“(1) The short issue that engaged the attention of the Andhra Pradesh Administrative Tribunal, Hyderabad (for short ‘the Tribunal’) was whether the 15% quota earmarked for special categories, such as Police Executive (PE)-5%, Police Ministerial (PM)-1%, Meritorious Sports Person (MSP)-2%, Children of Police Personnel (CPP)-2%, Children of Police Personnel of A.P. Police who died due to violence of extremists in duty and who were incapacitated / medical invalidation due to violence while on duty (CDI)-2% and National Cadet Corps (NCC)-3%, a separate category by itself to be treated as a vertical reservation or a horizontal reservation among the social / communal reserved

categories in the matter of promotion to the posts of Sub-Inspectors.”

27. This issue was answered by the Division Bench at paragraph No.5 thereof stating that the 15% quota under the Rules should be considered as vertical reservation. The paragraph 5 thereof is extracted below:

(5) In our opinion, when a separate quota of 15 % is created for special categories, such quota stands on its own legs vertically and it will be wholly irrational to follow such quota horizontally among the other categories. Therefore, the majority members of the Tribunal have come to right conclusion that the 15% quota must be followed vertically and not horizontally for such categories.

28. In the second decision i.e., **P.Nagarjuna v. State of Andhra Pradesh** (2 supra), the issue was non-adherence of vertical reservation to Special Categories by following horizontal reservation contrary to the judgment referred supra.

29. In the Judgment of the Division Bench referred supra, there was no plea on issue with regard to relaxation of marks and physical tests to the Home Guards.

30. In **W.P.No.1142 of 2016 and batch**, the applicants filed O.A before the Andhra Pradesh Administrative Tribunal seeking

for a direction to prepare a separate *inter se* merit for Home Guards in each unit of appointment and consider their claims along with others for appointment to the post of Police Constable for the vacancies reserved for Home Guards as per their *inter se* merit among Home Guards. The Tribunal after framing two issues for consideration held that the Respondents cannot insist on minimum marks for the Home Guards. It is this Judgment of the Tribunal that was confirmed by a Division Bench of this Court.

31. A close reading of the Judgment of the Tribunal would show that the examination scheme therein consisted of 75 marks for Physical Efficiency Test and 200 marks for written test. The candidates therein were rejected for further consideration as they did not secure minimum marks in written examination and it was in that context, a separate *inter se* merit was directed to be prepared.

32. In the above decision also, there was no direction or deliberation in the Judgment to prepare an *inter se* merit list bypassing the Physical Tests which are statutory in nature. Therefore, this Judgment also cannot be considered as a

precedent for holding that Physical Tests for Home Guards can be relaxed.

33. The Petitioners then filed ***W.P.No.6631 of 2024 and batch*** questioning the disqualification for not securing a qualifying mark in the preliminary test on par with direct recruits and permitting them to participate in physical test for appointment. This Court reiterated the decision of the Division Benches referred supra that a separate *inter se* merit list of Home Guards has to be prepared among other directions. However, no direction was given in this writ petition regarding relaxation of physical parameters and physical tests as sought by the Petitioners.

34. It is to be noted that though Petitioners/Home Guards were considered as a special category and entitled for vertical reservation, they were never directed to be appointed dehors the Recruitment Rules. The Petitioners are, therefore, not entitled to challenge the disqualification in the physical efficiency test, more so in the absence of any challenge to the Rules. The Issue (a) is accordingly answered.

35. **Issue (b)**: The notification in question was issued on 28.11.2022. The Petitioners who had knowingly applied and

participated in the selection process are raising the dispute with regard to the correctness of the physical tests after their disqualification in the physical tests. The Hon'ble Supreme Court ***Ranjan Kumar v. State of Bihar***⁶, after referring to earlier cases on this aspect held that candidates cannot question the selection after taking part in the same. The paragraphs 14, 15, 16 and 17 are extracted below.

“14. The next submission which has been presented before us is that when the respondents had appeared in the interview knowing fully well the process, they could not have resiled later on or taken a somersault saying that the procedure as adopted by the department was vitiated. In this connection, it is apt to refer to the principle stated in Om Prakash Shukla v. Akhilesh Kumar Shukla¹⁵. In the said case a three-Judge Bench, taking note of the fact that the petitioner in the writ petition had appeared for the examination without protest and filed the petition only after he realised that he would not succeed in the examination, held that the writ petitioner should not have been granted any relief by the High Court.

15. In this context, we may quote a passage from Madan Lal v. State of J&K¹⁶ with profit: (SCC p. 493, para 9)

“9. ... It is now well settled that if a candidate takes a calculated chance and appears at the interview, then, only because the result of the interview is not palatable to him, he cannot turn round and subsequently contend that the process of interview

⁶ (2014) 16 SCC 187

was unfair or the Selection Committee was not properly constituted. In Om Prakash Shukla v. Akhilesh Kumar Shukla¹⁵ it has been clearly laid down by a Bench of three learned Judges of this Court that when the petitioner appeared at the examination without protest and when he found that he would not succeed in examination he filed a petition challenging the said examination, the High Court should not have granted any relief to such a petitioner.”

16. *In Chandra Prakash Tiwari v. Shakuntala Shukla¹⁷, the Court observed as follows: (SCC p. 149, para 34)*

“34. There is thus no doubt that while question of any estoppel by conduct would not arise in the contextual facts but the law seems to be well settled that in the event a candidate appears at the interview and participates therein, only because the result of the interview is not ‘palatable’ to him, he cannot turn round and subsequently contend that the process of interview was unfair or there was some lacuna in the process.”

17. *In Union of India v. S. Vinodh Kumar¹⁸, the Court reiterated the principle that it is also well settled that those candidates who had taken part in the selection process knowing fully well the procedure laid down therein were not entitled to question the same.”*

36. An exception to the above principle is when the notification, Rules or Regulations which are *ultra vires*, should be ignored by the Courts when the question of their enforcement arises and the mere fact that there is no specific relief sought for to strike down or declare them *ultra vires* would not stand in the Court for not enforcing them. However, in the present case, as held supra,

there is nothing to substantiate the claim of the Petitioners that they had a vested right for relaxed parameters for the physical tests or the Rules are *ultra vires*. Therefore, it is not open to the Petitioners to challenge the selection process being made in accordance with the statutory Rules in vogue as of today. The Issue (b) is accordingly answered.

37. For the forgoing reasons, this Court finds no merit in the writ petitions and the same are dismissed. No orders as to costs.

As a sequel, pending applications, if any, shall stand closed.
