...Contemnor/Respondent

WHEREAS the Petitioner has presented under Sections 10 to 12 of the Contempt of courts Act 1971, above case through his Counsel SRI A K KISHORE REDDY, praying that this Hon'ble High Court may be pleased to punish the respondents herein for his willful and deliberate violation of the orders made by this Hon'ble Court dated 04.11.2025 made in W.P.No.30523 of 2025.

WHEREAS the said case coming on for orders as to admission on this day and whereas the High Court, upon perusing the affidavit filed therein and upon hearing the arguments of SRI A K KISHORE REDDY, Advocate for the Petitioner, directed issuance of Notice to the respondent, to show cause as to why in the circumstances stated in the affidavit filed in support thereof, the said case should not be admitted, the Court made the following

ORDER:

The learned counsel appearing for the petitioner submits that the Writ Petition No.30523 of 2025 was disposed off with the following observation by this Court:

“7. Considering the submissions of the learned counsel for the petitioner and the learned standing counsel for 2nd respondent the writ petition is disposed off at the admission stage making it clear to the 2nd respondent to conduct a proper survey in the presence of the petitioner and the petitioner shall submit a copy of the title document to establish his ownership over the property, the 2nd respondent shall determine the boundaries of the petitioner as per the sale deed/title document submitted by the petitioner and it is also made clear that if the property of the petitioner is required for the purpose of widening of the road the 2nd respondent would have to adhere the procedure as contemplated under the Right to Fair Compensation and Transparency in Land Acquisition and Rehabilitation and Resettlement Act, 2013.”

It is submitted that, inspite of a clear direction to the 2nd respondent, the 2nd respondent has approached the petitioner's property and pasted a notice dated 09.02.2026. It is further submitted that the 2nd respondent has neither conducted a survey nor determined the boundaries of the petitioner's property, as alleged in the said notice. However, the notice indicates that the petitioner has encroached upon the land, as allegedly established by the Town Surveyor, and that such encroachment is beyond the measurements specified in the title document. The petitioner is called upon to remove the said encroachment within a period of three (03) days.

Considering the submission that no survey was conducted despite the petitioner submitting the title document.

No further steps shall be taken in pursuance to the notice dated 09.02.2026.

Issue notice to the respondent.
