

HIGH COURT OF ANDHRA PRADESH AT AMARAVATI

MAIN CASE No: S.A.No.145 of 2014

PROCEEDING SHEET

Sl. No	DATE	ORDER	OFFICE NOTE
24.	15.03.2022	<u>G. RAMAKRISHNA PRASAD, J</u> This second appeal has been filed in the year 2014, challenging the judgment dated 29.07.2013 in A.S.No.121 of 2012. By the order impugned, the learned Judge has set aside the decree that was passed in favour of the plaintiff in O.S.No.205 of 2001 by judgment and decree dated 07.08.2012. Needless to state that the judgment rendered in the first appeal is a reversal one and the matter requires consideration by this Court. It transpires from the record that the appellant in this second appeal was required to take certain steps with regard to bringing on record the legal representatives of the deceased appellant and that the needful has been done. It also transpires from the record that the substantial question of law that is required to be framed by this Court has not been framed. Since the judgment under challenge has reversed the findings of the trial Court, this Court feels that it is appropriate to admit this second appeal and take on record the substantial question of law mentioned at para No.2 in the grounds of appeal. Since the second appeal has been filed in the year 2014, this Court feels that it is appropriate to list this matter for final hearing.	

		Let the matter be listed on 21.03.2022 under the caption 'for dismissal'. G. RAMAKRISHNA PRASAD, J SDP
