MAIN CASE NO.: **W.P.No.17169 of 2024**

PROCEEDING SHEET

Sl. No.	Date	ORDER	OFFICE NOTE
02.	09.08.2024	<u>TRR,J</u> The present writ petition is filed assailing the memo, dated 30.07.2024 issued by the 3rd respondent directing all the educational officers and additional project coordinators in the State are aware that School Management Committees formed on 22.09.2023 in the State are completed two years by 21.09.2025 and have been continued till reopen of the schools for the academic year 2024-2025 and also stated to give schedule and give directions to conduct elections on 08.08.2024. Now the present memo is under challenge on the ground that the aided schools will have governing body under G.O.Ms.No.1, Education Department, dated 01.01.2019 and if any elections conducted to the School Management Committees by the 3rd respondent that would be in derogatory of the G.O.Ms.No.1, dated 01.01.1994 may be a conflict and usurp the power of the governing body, this Court by an order, dated 07.08.2024 granted stay of conducting elections to the School Management Committees for a period of one week and directed to list the writ petition today i.e., 09.08.2024.	

		It is also submitted by the learned counsel for the petitioners that some of the aided schools are accepted to conduct elections to the School Management Committees. Learned Standing Counsel would submit that the Government has conducted elections to almost all the schools except the present schools, therefore, prayed to vacate the interim order. Interim order granted earlier is hereby modified and the respondents are at liberty to conduct elections, however, the elected committee functions subject to the result of the writ petition. List the matter after two weeks. SPP TRR,J
