

HIGH COURT OF ANDHRA PRADESH : AT AMARAVATI

MAIN CASE No: **W.P. No.26480 of 2021**

PROCEEDING SHEET

Sl. No.	DATE	ORDER	OFFICE NOTE
	13 .03.2025	<u>DR.KMR,J</u> <u>I.A.No.1 of 2025</u> <u>(for being mentioned)</u> This application is filed to replace the work “consider absorption” with the sentence directing the respondents to “absorb/regularize the petitioner into the available aided posts” as ordered in the similar writ petitions filed along with this batch and fresh orders may be issued. 2. Heard learned counsel for the petitioner(s). 3. On hearing, learned counsel for the petitioner(s) submits that this writ petition in WP No.21566 of 2021 was disposed of directing the 2nd and 3rd respondents to consider the case of the petitioner for absorption into the grant-in-aid posts, if he found eligible. He submits that in similar circumstances, this Court has disposed of batch of writ petitions directing the respondents for absorption of the petitioner into aided posts only.	

	Therefore, learned counsel requests this Court to replace the word “consider absorption” with the sentence directing respondents to absorb/regularize the petitioner into the available aided posts with all consequential benefits, within a fixed period of time as ordered in similar writ petitions filed along with this batch and also requests to remove the work “if he found eligible”. 4. As stated by learned counsel for the petitioner(s) that in similar circumstances this Court has disposed of a batch of writ petitions directing the respondents to consider the case of petitioners for absorption. The said writ petitions were disposed of by this Court only to the extent “directing the respondents to consider the case of the petitioner for absorption into aided posts, if he found eligible.” So, the order is very clear. 5. In view of the same, there are no grounds to modify the order passed by this Court and hence the present application is liable to be dismissed as devoid of merits. 6. Accordingly, the I.A.No.1 of 2025 is dismissed. DR.KMR, J Gv/
